Constituency Associations — 1985 Annual Financial Statements

The Electoral Divisions Amendment Act was proclaimed April 10, 1986, coincidental with the Order-In-Council which ordered the Provincial General Election of May 8, 1986. That proclamation dismantled the existing 79 electoral divisions and simultaneously created 83 new electoral divisions. The Chief Electoral Officer was therefore required to immediately deregister all existing constituency associations and initiate the registration of new associations consistent with the boundaries of the new electoral divisions. The administrative process for this activity had earlier been discussed and agreed upon at an Ad Hoc Committee Meeting of Party Representatives, chaired by the Chief Electoral Officer, on October 17, 1985.

Three hundred and five of the three hundred and twelve constituency associations registered on December 31, 1985, were required to file Annual Financial Statements on or prior to March 31, 1986 for the calendar year 1985 (Section 34(2)). These financial statements were received from two hundred and seventy-eight constitutency associations. Ten Alberta Liberal Party and eleven Western Canada Concept Party of Alberta constituency associations failed to file the required Annual Financial Statement by the required date and were deregistered.

The constitutency association financial data which follows records contributions for the calendar year 1985. Data for the period January 1, 1986 until deregistration, April 10, 1986, will be reported in the 10th Annual Report of the Chief Electoral Officer (1987) as will be the financial circumstances of the associations that registered subsequent to April 10, 1986. 1986 General Election

Overview

The Campaign Period for the 1986 General Election commenced with the Writ of Election on April 10, 1986 and terminated on July 8, 1986, two months after polling day. Financial statements for the campaign period were required to be filed with the Chief Electoral Officer in accordance with Section 35(1) of the Act. Registered candidates were required to file their Campaign Period Financial Statements on or before August 8, 1986 while the registered Parties were required to file their Campaign Period Financial Statements, not later than November 10, 1986.

All the registered Parties that participated in the 1986 campaign filed the required financial statement within the time limit. Of the three hundred and thirty three registered candidates, financial statements were received from three hundred and fifteen candidates, within the prescribed time frame.

The names of the remaining eighteen registered Candidates and their Chief Financial Officers were reported to the Speaker of the Legislative Assembly on August 11, 1986 in accordance with Section 36 (1) of the Act. All such persons were notified that pursuant to Section 52.1 of the Election Act, they were prohibited from being nominated as a candidate at any future provincial election for the 8-year period following the day on which the Speaker laid the Report before the Assembly. With one exception, all candidates ultimately filed their Campaign Period Financial Statements, which reduced the period that they were prohibited from being nominated as a candidate to five years, following the date of filing their Statement. They were advised that they could apply to the Court of Queen's Bench for relief, in accordance with Section 36(2) of the Election Finances and Contributions Disclosure Act. Nine Candidates and their Chief Financial Officers sought and received relief from the Court. At the time of this Report, this Office is awaiting the results of two additional applications for relief.

Income Tax Credit Allowance — 1984

During 1986 the Tax Policy Division of Alberta Treasury provided information, obtained from Revenue Canada Taxation and the Alberta Corporate Tax Administration, concerning the 1984 income tax credits for political contributions allowed to individual and corporate taxpayers who paid Alberta Income Tax.

Although the following information is now two years after the fact, it may be of general interest:

Total 1984 contributions to registered Parties	$1,474,058.
Total 1984 contributions to registered Constituency Associations	$ 260,687.
Total 1984 Provincial Income Tax Credit allowed to Individuals	$ 462,236.
Total 1984 Provincial Income Tax Credit allowed to Corporations	$ 94,000.

Three factors should be considered when reviewing this information:

a. taxpayers do not receive income tax credits unless they submit an official receipt for the contribution;
b. if there is no Alberta income tax payable, no income tax credit is allowed; and
c. the amount of income tax credit allowed is based on a declining percentage calculation of the total contribution.

Note: In consideration of the foregoing factors, a direct percentage comparison of the income tax credit allowed to the total amount contributed may not necessarily be valid.

Funds Held in Trust by the Office of the Chief Electoral Officer

At the date of this Report the Chief Electoral Officer is not holding any funds in Trust for a political Party, constituency association or candidate whose registration has been cancelled, or for any other reason.

Public Records

The public records, which contain information concerning political financing of registered political organizations in Alberta, now contain data for eight consecutive calendar years including the 1979, 1982 and 1986 General Elections and the four By-elections held since January 1, 1978. Interest in examining these records increases substantially on the dates immediately after the candidates, constituency associations and Parties file the required Campaign Period or Annual Financial Statements. The primary use of these records is made by the news media, students and members of political organizations.

Conferences

Annual Conference of Canadian Election Officers

The 1986 Annual Conference of Canadian Election Officers and Election Finances Officers was held in Victoria, British Columbia, July 15 - 17, 1986. All provincial jurisdictions, Yukon, NWT, Elections Canada, the United States Federal Election Commission and the State of Washington were represented at this year's Conference.

The Conference again provided an opportunity for all jurisdictions to share problems and to explore possible solutions. Agenda items were topical and included discussions on problems of mutual interest and the sharing of ideas to improve the electoral process. These discussions were meaningful to this Office.

The 1987 Conference will be held in Ottawa, Ontario, July 21 - 23, 1987.

Council On Governmental Ethics Laws - U.S.A.

The 1986 Council On Governmental Ethics Laws Conference was held in Hartford, Connecticut, December 2 - 4, 1986 and was attended by representatives from the majority of the United States State Boards of Election Commissions, State Boards of Ethics Commissions and some elected representatives together with representatives from the Federal Government, Canada Elections Office, the Ontario Commission on Election Finances, the Ontario, Quebec and Manitoba Election Offices, as well as this Office and a Member of the Alberta Legislative Assembly.

The Council is an association of public officials at the federal, state and provincial levels responsible for the administration of ethics legislation concerning such matters as: election financing, control of election expenses and contributions, conflict of interest and lobbying.

The 1987 Conference will be held during the fourth week of September in Quebec City, Quebec.

Conclusion

This has been a busy year for all personnel associated with the Election Finances and Contributions Disclosure Act. Party executives responsible for constituency association registration have not been as busy since 1978 when the Act came into force. The Ad Hoc Committee of Party Representatives meeting, sponsored by this Office in October 1985, ensured that Party officials had a good appreciation of the activity generated when the Twentieth Legislative Assembly was dissolved, the 83 new electoral divisions were established and the Writ of Election was issued. Some Parties used the preregistration procedure established at the Ad Hoc Committee meeting effectively and their constituency associations, who met the established criteria, were entered in the Register of Constituency Associations effective April 11, 1986. Some Parties are still in the process of registering constituency associations for the new electoral divisions.

Many candidates also took advantage of the preregistration procedure and as a result were able to have their Chief Financial Officer accept contributions and use funds for their campaigns the day the Writ was issued. Three hundred and fifteen of 333 candidates' Chief Financial Officers met the deadline for filing their Candidates' Campaign Period Financial Statement of Friday, August 8, 1986. The Speaker laid a Report, containing the names of the 18 Candidates and their Chief Financial Officers who failed to meet the filing deadline, before the Assembly on Monday, August 11, 1986. Seventeen statements were filed after the filing deadline. All Parties met the filing deadline of November 10, 1986 for filing Party Campaign Period Financial Statements.

To assist Party, Constituency Association and Candidate volunteers in their understanding of Provincial election legislation and to aid them in meeting their responsibilities, this Office provided guidance and assistance as required. Information on all aspects of the Election Act and the Election Finances and Contributions Disclosure Act was also provided on an on-going basis to individuals and to groups interested in the political process. Positive feedback was received on all occasions, in regard to the brochures and hand-outs prepared by this Office.

I would like to acknowledge those Albertans who took the time to phone, write or visit this Office to obtain information or to provide suggestions regarding the procedures governing registrations and public disclosures.

Copies of all reports published by the Chief Electoral Officer are available to the public at no cost. The Public Files maintained by this Office are available for examination during normal office hours.

In submitting this Report, I wish to express my appreciation to representatives of each of the registered political Parties, the volunteer executives of the Constituency Associations, the Candidates and their Chief Financial Officers and my competent and efficient staff for assisting me to meet my responsibilities during 1986.

All of which is respectfully submited.
